
PART F INTERNET ACCESS SERVICES

Item 605 Managed IP Circuit Service

1. Service Description

- 1) This Item is subject to the terms and conditions of Part A and Item 600 of this Tariff.
- 2) Managed IP Circuits ("MIPCs") are dedicated, fixed, point-to-point, digital transmission channels within the Cayman Islands between a Customer's LAN and C&W's Virtual Office Platform.
- 3) Rates and charges are set out in sub-item 605.4 below.
- 4) Initial Term available for MIPC Services: one (1) year.

2. Definitions

[Reserved for future use]

3. Terms and Conditions

- 1) MIPC Service can only be used in conjunction with a Virtual Office Service. C&W does not provide Virtual Office Service pursuant to this Tariff Item (please refer to General Tariff Item 604).
- 2) All MIPCs terminate on the Virtual Office platform.
- 3) MIPCs are only available in bandwidths of 2 Mbps, and cannot be used to transport data. MIPCs can only carry digitalized voice at 2 Mbps bandwidths.
- 3) MIPC Service is subject to a one-year Initial Term.
- 4) The Customer can cancel a MIPC Service at any time upon one (1) month's prior written notice. Early termination charges equal to 50% of the monthly recurring charge, multiplied by the number of months remaining in the Initial Term, will apply in the event the Customer cancels a MIPC Service before the end of the Initial Term.
- 4) The Customer undertakes not to use the MIPC Service:
